This is a special time set aside just for our BIG kids — that's YOU — those almost-teenagers who are just ready for "More!" Basically, we're just trying to figure out what God wants from and for each of us. So, we hang out together, share devotions, play games, create and perform skits, do mission projects together, and visit our local nursing home residents. We also have some day-time "mystery" events planned for this summer. It's never too late to join us. Come all the time; come here and there. The choice is yours and our door is open. We could always use more Faith Friends. You — and your friends — are always welcome!

To participate in this program, we must have a Registration Form that includes a "blanket" Permission Slip to transport your child for our field trips. Parents will ALWAYS be notified in advance of plans to leave our campus.
